INTERVIEW CRACKING & JOB READINESS ACCELERATOR PROGRAM

Get Interview-Ready. Get Selected. Get Placed.

Placement-Linked Online Certification Program

PRACTICAL | MOCK-DRIVEN | PLACEMENT-FOCUSED

Upskills Career Academy

A focused path from interview anxiety to job readiness

This high-impact online certification helps candidates clear interviews confidently and pursue job opportunities across industries.

THE PROGRAM GOES BEYOND THEORY

Real preparation

Communication skills

Confidence building

Job application strategy

Ideal for candidates who

- Are struggling to crack interviews
- Lack confidence in professional conversations
- Want a structured job preparation plan

Outcome focus: prepare, practice and improve with feedback.

Built for candidates who need structure, practice and confidence

WHO SHOULD ENROLL?

- Fresh graduates preparing for jobs
- Final-year students - BBA, B.Com, MBA or any stream
- Candidates facing interview rejections
- Working professionals planning a job switch
- Anyone improving communication and confidence

PROGRAM FORMAT

4-6

WEEKS

3 sessions per week

60-90 minutes each

Live online

Instructor-led

Practical + mock interview driven

The program builds readiness in six connected stages

Each stage strengthens a different part of the job-search journey.

01

Resume Mastery

ATS-friendly resume, role customization and mistake prevention

02

LinkedIn Optimization

Professional profile, recruiter visibility and networking

03

Interview Preparation

HR questions, role-based questions and structured answers

04

Communication & Confidence

Clear speaking, professional body language and confidence

05

Mock Interviews

2-3 simulations, personalized feedback and improvement tracking

06

Job Application Strategy

Where to apply, effective applications and follow-ups

Your profile and answers become recruiter-ready

01 Resume Mastery

- Build an ATS-friendly resume
- Customize your resume for different roles
- Avoid common resume mistakes

02 LinkedIn Optimization

- Build a strong professional profile
- Increase recruiter visibility
- Use a practical networking strategy

03 Interview Preparation

- Prepare for HR interview questions
- Practice role-based questions
- Learn answer structuring techniques

Practice turns preparation into performance

04 Communication & Confidence

- Speak clearly and professionally
- Improve body language
- Build confidence in interviews

05 Mock Interviews - Core Strength

- Complete 2-3 real interview simulations
- Receive personalized feedback
- Track improvement across practice rounds

06 Job Application Strategy

- Identify where to apply
- Apply effectively
- Track applications and follow-ups

The outcome is broader job readiness - not a single job type
